

From Bri and Cam

To BG Flying Sushi...

Howdy guys! It is your BG parents here -- Bri and Cam! We are so glad you decided to come to Impact this year and are delighted that the Lord has intentionally placed you in BG Flying Sushi! To introduce ourselves I am Brianna Jacques, a sophomore (A A A A A) Kinesiology major born and raised in College Station, Texas. I am very thankful for chocolate, sushi, popcorn, and the opportunity I had last summer to go skydiving with my sweet mom. I love being an Aggie, but if I could be anything I would be a DJ. I am in training to be a Young Life leader and also a hardcore Directioner who is patiently waiting for a One Direction reunion! For the latter half of BG Flying Sushi, I am Cameron Moore, a junior (A A A WHOOP!) University Studies Business major from Midlothian, Texas. I love listening to and producing music. I do not have any social media, but I am getting my pilots license and I also love to ride motorcycles. We are looking forward to getting to know y'all this week and have been praying so intensely for you guys for months. We are fully confident that the Lord is going to move mountains and break chains this week even if it's over a zoom call. We are so glad to be here and love you guys so much. This week is going to be HYPE! If you ever need anything, please do not be afraid to reach out. We are here for you!

Your #1 fans,
Bri + Cam
